Case No. 2025LA000153

INDEMNIFYING BOND

Know all Men by these Presents, That we

Princess Emilily Hotep El, Prince Ra Hotep El, and Monica Rene Hall Estate Trust BT,

Petitioners, Case No. 2025 LA 000153,

are held and firmly bound unto Thomas J. Dart, Sheriff of Cook County in the State of Illinois, and to his successors in office, executors, administrators, and assigns, in the penal sum of Fifty-Seven Million Eight Hundred Thousand One Hundred Fifty Dollars (\$57,800,150.00).

For the payment of which sum we do hereby jointly and severally bind ourselves, our heirs, executors, and administrators.

The condition of this obligation is such that, whereas, on October 14, 2025, there was issued from the Circuit Court of the Eleventh Judicial Circuit, McLean County, Illinois, McLean County Law & Justice Center, 104 W. Front Street, Bloomington, Illinois 61701, a judgment in favor of Princess Emilily Hotep El, Prince Ra Hotep El, and Monica Rene Hall Estate Trust BT, Petitioners, and against State Farm Fire and Casualty Company, et al., Defendants.

Said judgment was directed to the Sheriff of Cook County to execute. The Sheriff, at the direction of the said Petitioners, is about to execute the judgment by levying upon and taking the following property interests of the Defendants, including accounts, deposits, funds, securities, and other property interests of State Farm Fire & Casualty Company and affiliated entities held at or through BMO Bank N.A., pursuant to the Writ of Execution and levy instructions.

For which act the undersigned hereby indemnifies and agrees to keep harmless the Sheriff from any loss he might sustain by reason of closing the place of business of said Defendants and from any liability to the landlord under the lease relative to said premises or otherwise; or from any loss he might sustain by reason of permitting the said Defendants, in the above entitled cause, to operate and continue its usual business with proceeds to be applied on said execution to the date of sale of the balance of said property, for which act it is further agreed that the Sheriff will be held harmless from any liability to the landlord under the lease or otherwise.

It is a further condition of this obligation that the Principal and Surety are held firmly bound unto the individual Deputy Sheriff who seizes exempt property for any reason, in the sum of twice the value of the property seized plus costs, the payment of which sums we do hereby jointly bind ourselves, our heirs, executors, and administrators.

Now if said Plaintiff shall and do from time to time, and at all times hereafter, defend, save, keep harmless, and indemnify the Sheriff aforesaid, his heirs, executors, administrators, deputies, and all other persons acting under or by instruction of him, from and against all actions, suits, judgments, costs, charges, damages, and expenses whatsoever, including attorney's fees, which may at any time arise by reason of the execution of said judgment, retention of possession, sale of said property under said judgment, or by reason of assisting in such execution or sale, and shall also pay the expense of seizing and caring for the property levied upon or seized thereunder, and the costs for other services of the Sheriff, then this obligation shall be void; otherwise to remain in full force and effect.

Case No. 2025 LA 000153

**Illinois: Foreign Judgments Recognition & Enforcement Illinois has a set of statutes
(Uniform Acts) that govern recognizing and enforcing judgments from courts outside
Illinois.**

Key Statutes

- 735 ILCS 5/12-664 ("Standards for recognition of foreign-country judgment")

A court must recognize a foreign judgment due process, the Respondent was served multiple times over the past two years and responded never formally but with soft denials and inconclusive stated investigations without providing evidence of said investigation, Consular Court Tribunal Tribe of Judah possess the personal or subject-matter jurisdiction by Contracts although altered with the insurance policies and being that of investors with the Mutual company or Respondent. Several recorded calls and documented statements letters and responses to the DOI NEVADA as well. The CEO past and present was served via process server on March 12, 2024 and again on August 13, 2025 as well with responses from Jeff Wagoner and Justine Lybbert and many others.

State Farm over a period of approximately two years responded by mail and email to PRINCE RA HOTEPEL his email and the CONSULAR COURT many times over making promises and false statements allegations unsupported and unsubstantiated with multiple personnel involved.

As we have met the due process portion by State Farm willingly participated in the Consular Court Tribunal example Jeff Wagoner stated, that State Farm will file a Formal Response Soon, but did nothing. Luke Pietek stated on or about October 14, 2024 that he was seeking information concerning the amount of settlement but never returned the call nor provided proper settlement payout information. On or about September 5, 2023 Chris Pool and her manager stated that the Consular Court wasn't real making it a comedic prop, and her manager as well. The statement changed as they began to engage with the Consular Court shortly afterwards continuously for two years and would make intentions or promises to

produce formal documentation. After realizing that the Consular Court Tribunal is therein the Government entity of the Melchizedek Priesthood El a foreign government entity 001 status, The Secretary of State the duly qualified and elected Nevada Secretary of State, do hereby certify that Melchizedek Priesthood El LLC did on 11/07/2022 file in this office its registration to do business in this state and is now on file and of record in the office of the Nevada Secretary of State, and further, that said entity is at the date of this certificate duly qualified to exercise therein all the powers recited in its Articles and to transact business in the State of Nevada in accordance with the laws of said State. Along with The Monica Rene Hall Estate Trust BT, and the David Jr Hall Estate Trust BT, and noticed in multiple States in the U.S.

They by soft denial claimed that there was no coverage due to the Municipality of Nevada seized property and they are not allowed to get involved with government seizures. While the State of Nevada top office The Attorney General stated in a formal letter that they had not dealings in the matter said letter states "Prince Ra Hotep El 8237 Fawn Brook Ct Las Vegas, NV 89149 Claim Number: TC20610 Dear Mr. Hotep El: The State of Nevada has received your claim against the State of Nevada in the amount of \$400,000,000.00. We are unable to find any acts to which the State of Nevada is liable, and we must deny your claim for damages."

Sifting responsibility and Fiduciary responsibility onto a municipality without evidence proof or a real investigation, according to Chris Pool and her manager Cc recording, they spoke to someone at the Court and was told that the eviction was true and correct when asked to provide whom they spoke with they stated and I mean "CHRIS POOL" said "YOU WILL HAVE TO SUE US AND GET A SUBPOENA TO GAIN ACCESS TO OUR RECORDS AND INTERNAL INVESTIGATIONS."

- 735 ILCS 5/12-667 ("Effect of recognition of foreign-country judgment")

Once a foreign judgment is recognized, it is conclusive between the parties in the same way as an Illinois sister-state judgment (Full Faith & Credit type effect), and enforceable in the same manner as a judgment of Illinois. (OneClerk (https://law.onecle.com/illinois/735ilcs5/12-667.html?utm_source=chatgpt.com))

On September 23, 2025 the foreign judgment was filed by the petitioners and the Consulate of the Consular Court as prince ra hotep el is an officer of such, and it was accepted on or about October 1, 2025 stamped along with other filed documents accepted and stamped by the clerk of the court.

- 735 ILCS 5/12-640 ("Enforcement of foreign judgments")

If a foreign judgment is recognized, it can be filed/enforced; payments (partial or full) are credited; foreign money-judgments get converted, etc. (FindLaw Codes (https://codes.findlaw.com/il/chapter-735-civil-procedure/il-st-sect-735-5-12-640/?utm_source=chatgpt.com))

- Statute of Limitations – 735 ILCS 5/12-669

You must bring an action to recognize a foreign country judgment within the earlier of (a) the time the foreign-country judgment remains effective in the foreign country, or (b) 15 years from when it became effective. (FindLaw Codes (https://codes.findlaw.com/il/chapter-735-civil-procedure/il-st-sect-735-5-12-669/?utm_source=chatgpt.com))

- Filing & Status – 735 ILCS 5/12-652

A foreign judgment (authenticated properly) may be filed with the circuit clerk; once filed, it's treated like an Illinois judgment (same procedures, defenses, revival, enforcement). (CaseLaw (https://caselaw.findlaw.com/il-court-of-appeals/1329812.html?utm_source=chatgpt.com))

Case Law / Examples

- Pinilla v. Harza Eng'g Co., 324 Ill. App. 3d 803 (2001)

Describes how Illinois' Recognition Act & Enforcement Act work together. Recognizing foreign judgments which are final, conclusive, enforceable, etc. Once recognized, they're enforceable like judgments entered in Illinois. (CaseLaw (https://caselaw.findlaw.com/il-court-of-appeals/1329812.html?utm_source=chatgpt.com))

- Pnevmatikos v. Pappas, First Dist. Appellate Court, 2025

Recent case explaining how non-Illinois judgments are handled: Recognition Act (foreign country) plus Enforcement Act (other state judgments). If the foreign judgment is recognized, then it's conclusive and enforceable as if Illinois judgment. (Justia Law (https://law.justia.com/cases/illinois/court-of-appeals-first-appellate-district/2025/1-23-0739.html?utm_source=chatgpt.com))

Illinois: Res Judicata, Issue Preclusion, Estoppel Doctrines

These are relevant to ensure that once a judgment is recognized, issues/claims can't be relitigated, and parties can't repudiate their earlier positions.

Res Judicata (Claim Preclusion)

Elements under Illinois law (cases):

- 1 Final judgment on the merits by a court of competent jurisdiction
 - 2 Identity of cause of action
 - 3 Identity of parties (or their privies) between prior case and current case
- Mann v. Rowland, No. 1-02-3315

A case where Illinois courts reaffirmed those three elements. (Illinois Courts (https://www.illinoiscourts.gov/Resources/621385f1-414f-4c2a-8738-24222fd2b15a/1023315.htm?utm_source=chatgpt.com))

- Long v. Shorebank Dev. Corp. Ltd., 1999, 7th Cir. interpreting Illinois law

The doctrine: “a final judgment on the merits is conclusive as to rights of the parties, and constitutes an absolute bar” to a subsequent action involving same claim, demand, or cause of action. Also notes that res judicata does not apply when the earlier judgment is void. (CaseLaw (https://caselaw.findlaw.com/us-7th-circuit/1045039.html?utm_source=chatgpt.com))

- Illinois Supreme Court: Voluntary Dismissal Without Prejudice Not Accorded Res Judicata Effect Even if the claims/parties are same, if the earlier dismissal was without prejudice, it is not a final judgment on the merits, so res judicata doesn't apply. (The Appellate Strategist (https://www.appellatestrategist.com/2016/06/articles/jurisdictions/illinois/illinois-supreme-court-holds-voluntary-dismissal-without-prejudice-not-accorded-res-judicata-effect/?utm_source=chatgpt.com))

Issue Preclusion (Collateral Estoppel)

- Pnevmatikos v. Pappas also touches on finality and conclusiveness for money judgments, implying that issues decided in foreign judgment (if recognized) are binding. (Justia Law (https://law.justia.com/cases/illinois/court-of-appeals-first-appellate-district/2025/1-23-0739.html?utm_source=chatgpt.com))
- C.I.S., Inc. v. Kann, 76 Ill. App. 3d 109 (1979)

A case where summary-judgment was granted applying collateral estoppel regarding findings from earlier litigation. Shows application even when parties in interest change roles, if issues are the same and prior decision was final on that issue. (LawPipe (https://www.lawpipe.com/Illinois/Can_Collateral_Estoppel_Be_Applied_Considering_Prior_Litigation_With_The_Same_Corporation_But_With_A_Different_President.html?utm_source=chatgpt.com))

Estoppel Doctrines

- Judicial Estoppel — more narrow and has specific requirements (inconsistent positions, intent, benefit). Illinois in Seymour v. Collins narrowed application, focusing on whether there was intent to deceive and how significant the earlier position was. (wfactorlaw.com (https://www.wfactorlaw.com/illinois-supreme-court-narrows-judicial-estoppel-doctrine/?utm_source=chatgpt.com))
- Corporate Estoppel / Equitable Estoppel in Illinois:
 - The case Cosgrove Distributors, Inc. v. Haff, 2003 — trial court had found corporate estoppel (or pierce the corporate veil/estoppel), but appellate court reversed because there was no evidence that the corporation misrepresented itself or concealed facts; estoppel didn't apply. (Justia Law (https://law.justia.com/cases/illinois/court-of-appeals-third-appellate-district/2003/3030097.html?utm_source=chatgpt.com))
 - Estoppel requires things like misrepresentation, reliance, detriment, etc.

Mapping to Your Situation (Wrong Caption, Wrong Case Number, etc.) Based on all that, here's how Illinois law tends to handle situations like you described, and how you might counter their maneuvering: What they're trying Legal problem with it

How Illinois law supports pushing back Wrong caption / wrong plaintiff / wrong / different case number used in their filing

It may indicate they are not operating as the real party in interest, or raising procedural defects to avoid recognition/enforcement of the foreign (default) judgment

Under Illinois' Recognition & Enforcement Acts (e.g. 735 ILCS 5/12-640, 12-652, 12-667) the recognized foreign judgment is conclusive between the correct parties. If you have properly filed/authenticated judgment and are proper petitioner plaintiff/judgment creditor, wrong naming doesn't let them avoid its effect.

They claim they want "verification of authenticity" of documents, rather than opposing recognition on statutory grounds, Illinois statute puts the burden on the resisting party to show that a ground for nonrecognition exists under §12-664(b) or (c), e.g. lack of jurisdiction, lack of due process, fraud, etc. A vague claim of authenticity won't suffice unless tied to a ground. (FindLaw Codes (https://codes.findlaw.com/il/chapter-735-civil-procedure/il-st-sect-735-5-12-664/?utm_source=chatgpt.com))

You can move to enforce, showing you meet statute's requirements: judgment final, conclusive & enforceable where rendered; service, jurisdiction, etc. If they don't show a statutory ground, court must recognize judgment.

They might try to relitigate issues already decided in the foreign judgment (e.g. liability, amounts) by changing names or case numbers

Illinois' res judicata / issue preclusion: once judgment is recognized, under §12-667 the foreign judgment is conclusive and enforceable "to the same extent as a sister-state judgment" would be. That carries preclusive effect for claims / issues already decided.

Pinilla, Pnevmatikos, C.I.S. v. Kann, Long v. Shorebank — to show that Illinois will enforce those principles. Also show that their mis-caption or mis-naming does not erase or nullify finality and identity if real parties in interest are the same.

Further Affiant Sayeth Not.

This outage disrupted certain DOI systems, including consumer complaint intake and communications. The Office of Emergency Management confirmed that data was moved outside of the state's network and investigations are ongoing.

This incident underscores the importance of independent record-keeping. The House of Judah Consular Court Tribunal retains AI-assisted, sovereign archival backups of all filings, unaffected by this cyberattack. The Default Judgment therefore rests on secure, immutable records beyond state systems.

Enforceability

This Default Judgment is fully assignable and enforceable against State Farm Fire and Casualty Company. It may be executed by garnishment, liens, levies, or negotiated settlement. The judgment may also be sold or assigned to qualified buyers or enforcement firms.
